Sir:

In reply to the Final Office Action dated **November 26, 2008**, the period for response being extended two months from **February 26, 2009** to **April 26, 2009** by a Petition for Extension of Time filed herewith, reconsideration of claims 1-48, which are rejected as being based upon a defective reissue oath under 35 U.S.C. §251, is respectfully requested.

There seems to have been some confusion as to whether a Supplemental Declaration is required under 37 C.F.R. §1.175(a)(1) or under 37 C.F.R. §1.175(b)(1)(i). Based on the body of paragraph 4 on page 3 of the Office Action, it seems that the Patent Office desires a Supplemental Declaration under 37 C.F.R. §1.175(b)(1)(i), which is now attached herewith. Further, a Petition under 37 C.F.R. §1.183 is filed for the joint inventors that cannot be found.
